Hi Jamey, attached is the draft agenda.

A couple of other things that we need from folks- who wants to carpool from the office and for those that are carpooling, do they have a time that they need to leave by? I included a few options for earlier ferry and a little later ones.

Also, we'll need to figure out lunch plan. Maybe there's a pizza joint that delivers? And I guess we ask folks to bring a snack and wine/beer to share for afterwards? We can chat about on our next planning call that I need to schedule.

Thanks!

Lynne
